## OBJECTIVE

---

Recent Computer Science graduate with a strong foundation in programming languages, algorithms, and software development methodologies. Eager to leverage academic knowledge and internship experience to contribute to innovative projects and solutions in a dynamic software development environment. Seeking opportunities to further develop technical skills, collaborate with interdisciplinary teams, and drive impactful results.

## EDUCATION

---

### **The University of the City of Muntinlupa (PLMun)**

*September 2020 - July 2024*

**Course:** Bachelor of Science in Computer Science (BSCS)

**Location:** University Rd, Poblacion, Muntinlupa, Metro Manila, Philippines

**Relevant Coursework:** *Software Foundation; Data Structure and Algorithm; Software Engineering; Numerical Methods.*

### **Affordable Private Education Center (APEC Schools)**

*June 2016 - March 2020*

**Course:** Accountancy, Business and Management (ABM)

**Location:** Navs Bldg, National Road, Muntinlupa, Metro Manila, Philippines

**Relevant Coursework:** *Business Management; Economics; Mathematics; Principles of accounting; Financial accounting.*

## EXPERIENCE

---

### **Computer Maintenance Technologist**

*January 2024 - March 2024*

PLMun (ICT Office)

Metro Manila, Philippines

The ICT (Information and Communication Technology) Office is a department in The University of the City of Muntinlupa (PLMun) responsible for managing and implementing technology-related initiatives and resources within the educational institution. Its primary focus is on integrating technology into teaching, learning, and administrative processes to enhance efficiency, effectiveness, and student outcomes.

- As a Computer Maintenance Technologist at ICT Office, I diagnose and repair hardware issues, configure software systems, and maintain network infrastructure.
- Manage computer laboratories within the school, ensuring optimal functionality and usability for students and faculty.
- Provide Technical Support, I Offer assistance and troubleshooting guidance to faculty / employees experiencing technical issues with their computers, software, or networks.

## SKILLS

---

- SQL Programming
- System Administration
- Network Administration
- Database Administration
- Data Structures & Algorithms
- Business Solutions Development
- Proficient in Microsoft Office Suite
- Web Development & Cloud Servicing
- Network Establishment & Deployment
- Game Development
- Mobile Development
- Software Engineering
- Information Management
- Research & Development
- System Analysis & Design
- Problem Solving & Critical Thinking
- Software & Hardware Quality Testing
- Artificial Intelligence & Machine Learning
